The word Negro is discussed on this dates Registry. This brief article and its references is written to add to the history of this word. Negro means "black" in both Spanish and Portuguese languages, being derived from the Latin word niger of the same meaning. The term "negro", literally the Spanish and Portuguese to refer to Black Africans and people with that heritage used "black."

Negro (the word) a history - African American Registry

African-American history is the part of American history that looks at the African-Americans or Black Americans in the United States. Although previously marginalized, African-American history has gained ground in school and university curricula and gained wider scholarly attention since the late 20th century.
